# About The JDI - CAO

## Programme

The JDI-CAO Overseas Internship Program, a collaboration between JDI and Nanyang Technological University's Career and Attachment Office (CAO), provides students with a two-month immersive internship experience in Vietnamese companies.

Taking place from May 8th to July 15th, 2023, the program is designed to foster students' personal growth and career development, offering invaluable practical experience through real-world challenges and training.

# Student

## Profile

The JDI-CAO Overseas Internship Program took a group of 17 Nanyang Technological University students on an enriching journey to Vietnam.

Throughout their journey, students have a unique opportunity to immerse themselves in the professional working environments of leading companies in Vietnam, gaining practical experience across various industries, including:

- **IT Services and Consulting**
- **Education and Learning**
- **Data Infrastructure and Analytics**
- **Global Trade**
- **Advertising and Marketing Services**
- **Financial Services**

# Hear from Our Students

"It was an amazing experience for me. The food, the culture, the people, I do not think I would have chosen to spend my summer differently."

**Wai Sin Yin**

"I miss my internship as everyone I met was so fun and friendly, and I learned so many things about Vietnamese culture."

**See Hui Sin**

"Such a once in a lifetime experience, really got out of my comfort zone and opened my eyes to what the world has to offer."

**Teo Ren Yi, Bradley**

"Fruitful learning experience in gaining different perspectives when working in an organization. Global exposure when working with colleagues from diverse countries."

**Sheila Chen Sing Hui**

Welcome

To Vietnam

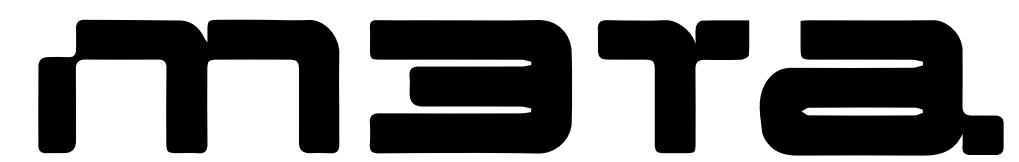

Upon their arrival at Tan Son Nhat Airport, the students received a heartfelt welcome from Ms. Anna Phan, Program Lead of the JDI Global Ready Talent and her team, setting the tone for what promises to be an unforgettable experience.

The future of  
Innovation  
begins here.

# Warm Greeting & Companies Projects

The students eagerly kicked off their internship journey with warm greetings and hugs from their new colleagues.

The students received valuable real work experience throughout their training, including the opportunity to assume roles as event organizers and representatives for their host companies. This immersive involvement deepened their understanding of the work scope, thereby preparing them for future professional endeavors.

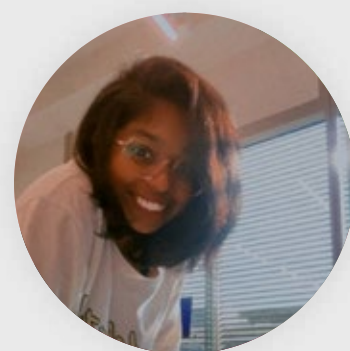

“Experienced things that I cannot experience in Singapore”

**Gideon Patrick Manik**

# Activities

Interaction with Vietnamese colleagues was facilitated through a variety of activities, including happy hours, birthday celebrations, team-building exercises, charity work, and more.

“It was an eye-opening experience in both professional and cultural aspects.”

Priyarekah D/o M Ravikumar

# Afforestation Project and Share Event

Besides work-related activities, the students joined hands to contribute to society by joining the Forest Garden - an afforestation project organized by the Journey of Youth Foundation (JOY).

Together, three students from NUS, NTU, and SMU successfully organized the 'Sip & Share Networking: Saigon x Singapore Event,' drawing the participation of over 60 attendees. This provided them with a unique opportunity to apply the skills and knowledge they had learned at universities to real-world situations.

“Great internship experience with lots to discover and learn”.
