## Unforgettable Journey Of Growth

Internship & Life In Vietnam

## About The Internship Programme

For a duration of three months, spanning from October 24th, 2022 to January 13th, 2023, Global Ready Talent orchestrated an exceptional internship opportunity in Vietnam for a group of nine outstanding students from Republic Polytechnic in Singapore.

The vibrant city of Ho Chi Minh was selected as their destination to flourish and excel in the dynamic startup landscape of the Software Development and Business industries.

These exceptional students commenced their internships at JDI Group, a venture catalyst with strategic knowledge and resources to build and scale their disruptive innovations from Asia to the world.
