# About The JDI - CAO Programme

The JDI-CAO Overseas Internship Program, a collaboration between JDI and Nanyang Technological University's Career and Attachment Office (CAO), provides students with a ten-week immersive internship experience in Vietnamese companies.

Running from May 5th to July 19th, 2024, the program is designed to support students' personal growth and professional development. Through working experiences, participants will broaden their horizons and acquire valuable skills that will benefit them in their future careers.

## Student Profile

The program involved 23 students from Nanyang Technological University, each of whom successfully secured an internship opportunity in Vietnam, gaining hands-on experience across diverse sectors, including:

**IT Services and  
IT Consulting**

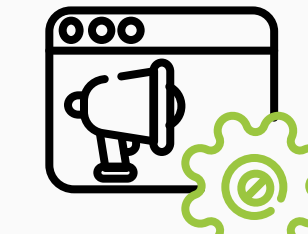

**Education**

**Data Infrastructure  
& Analytics**

**International  
Trade**

**Advertising &  
Marketing Services**

**Financial  
Services**

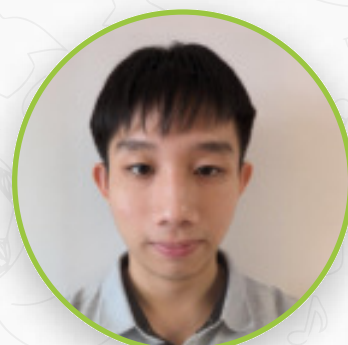

# Hear from Our Students

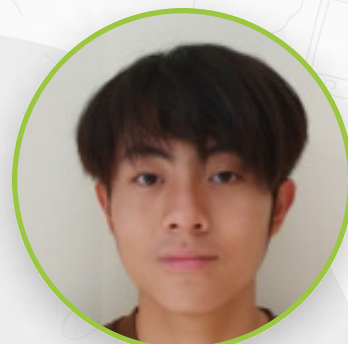

"Love the host company culture. Professional yet hospitable to the interns. The supervisor was good and passionate about teaching us, and caring and supportive throughout the internship. Colleagues were all chill and nice, very welcoming to us."

**Chui Jiashin**

"The host company in Vietnam was very friendly and generous, often including us in events such as celebrations and birthdays."

**Kway Yi Shen**

"Really friendly colleagues and a welcoming environment. I really learned a lot thanks to them."

**Ng Wei Sheng Harrison**

# Welcome to Vietnam

Upon arrival at Tan Son Nhat Airport, 23 Nanyang Technological University students were warmly welcomed by Talent JDI's Global Ready Talent team, sparking the beginning of an unforgettable journey filled with extraordinary experiences.

The future of  
Innovation  
begins here.

# Warm Greeting & Companies Projects

On their first day stepping into the host companies, the students were greeted with a warm and enthusiastic welcome from their soon-to-be colleagues and mentors.

The comprehensive onboarding introduced them to local business operations and provided valuable insights into Vietnamese work culture, setting the stage for the exciting learning journey they were about to embark on.

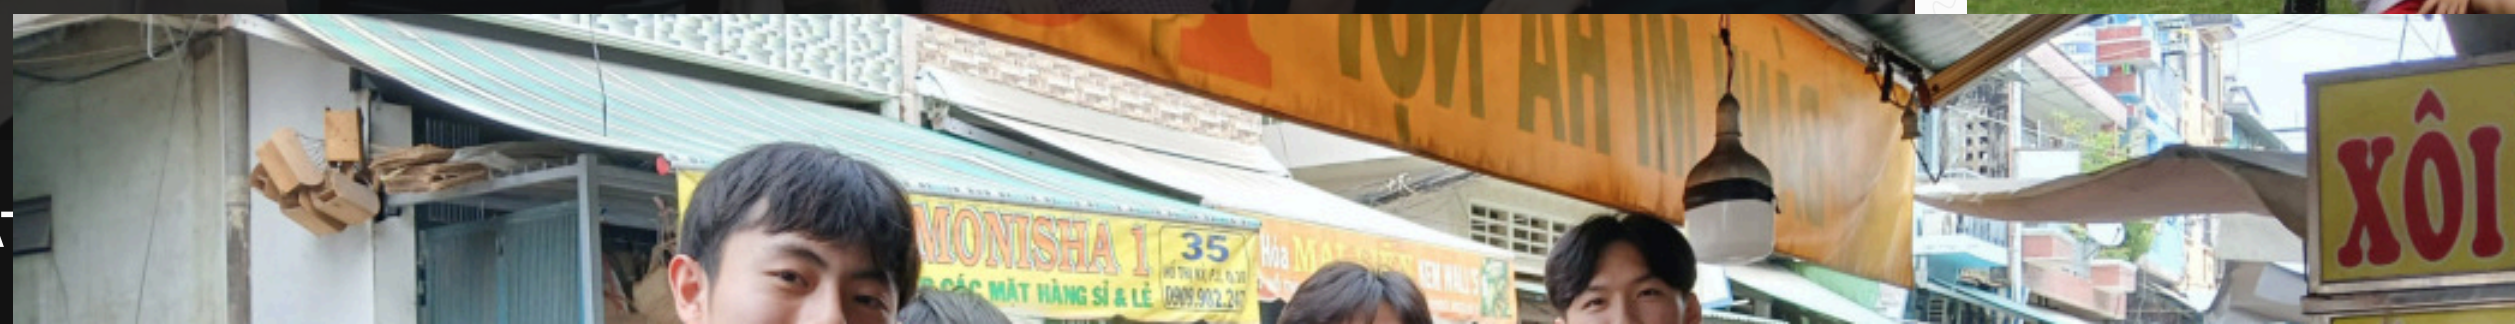

Throughout their internships, the students were fully engaged in professional projects with the support of their mentors, sharpening their practical skills and deepening their understanding in ways that complemented their academic pursuits.

From tackling challenging projects to collaborating with local teams and contributing to company initiatives, the students were immersed in real-world business environments, gaining valuable hands-on experience that will shape their future careers.

“My internship experience at TRG has been great. In addition to HR operations, including recruitment and events, I was given the opportunity to take on various other tasks as well.”

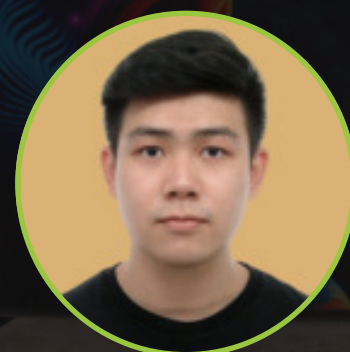

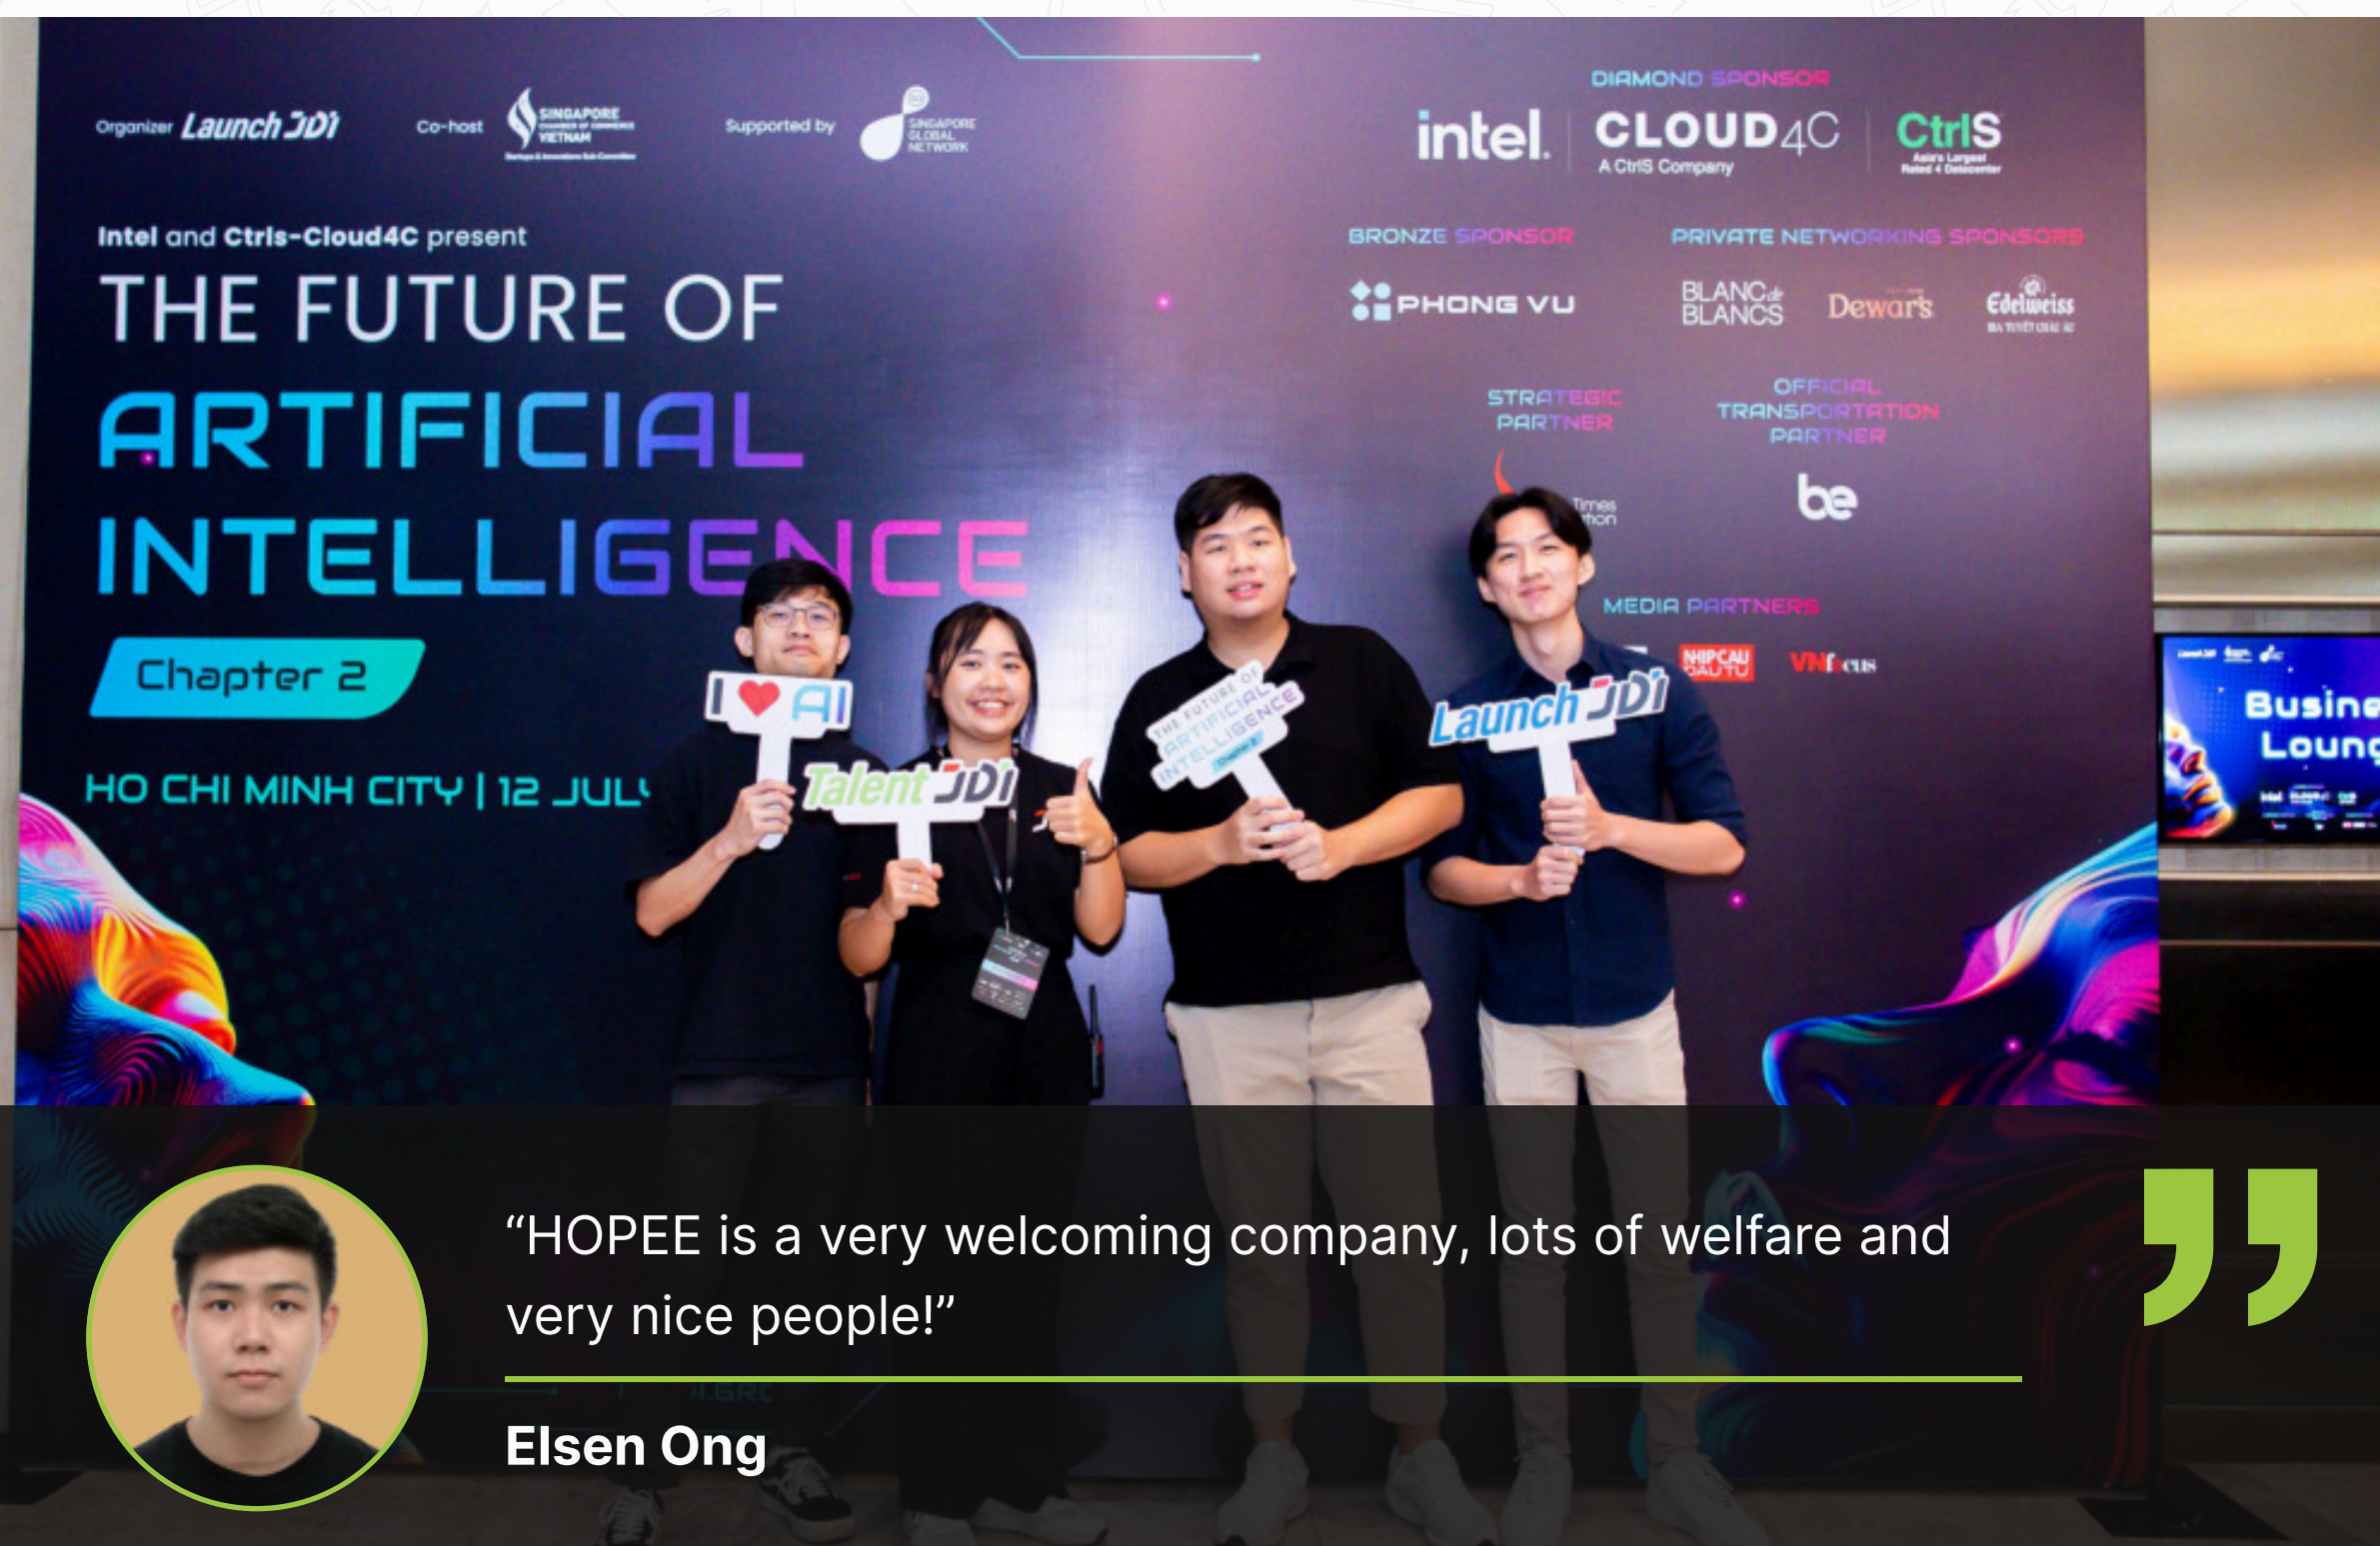

# Meaningful Activities

Beyond their daily work, the students were given exclusive access to networking events that expanded their local professional networks and provided opportunities to learn from industry leaders, paving the way for future career growth.

“HOPEE is a very welcoming company, lots of welfare and very nice people!”

Elsen Ong

# Live Like A Local

“The host company and colleagues were some of the nicest people I've met. Their candor and willingness to make my stay comfortable were unparalleled. I would commit to this internship at JDI repeatedly if given the option.”

**Gregorio Marlon Andre Trinidad**

# City Tour

Guided by JDI's Global Ready Talent team, the students fully embraced the heart and soul of Ho Chi Minh City, immersing themselves in its rich history, vibrant culture, and mouth-watering street food.

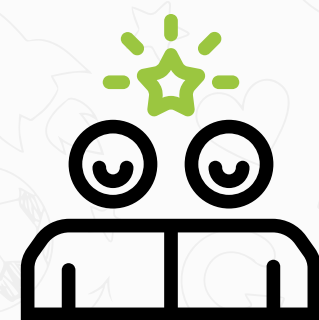

“There's a lot that I could learn from this internship at COOBUILDER(CLAPS), and I am so thankful to both JDI and the host company for allowing me this invaluable internship experience here! ”

Javier

# Hang Out Together

Beyond the office, the NTU students forged unforgettable bonds with their Vietnamese colleagues, sharing laughter and enjoying Vietnamese food together.

They also had the chance to connect with fellow interns from Singapore Management University, the National University of Singapore, Republic Polytechnic, and Temasek Polytechnic, creating a vibrant community of like-minded individuals taking on their internships in Vietnam.

# Outdoor Activities

Stepping away from their academic endeavors for a moment, the NTU students were able to participate in a pottery workshop, getting their hands dirty.

With a blend of creativity and skill, they crafted unique pieces of art that serve not only as souvenirs of their Vietnamese adventure but also as tangible reminders of their newfound artistic talents.

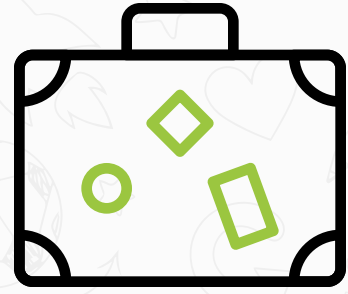

“Not much changes, I just ended up appreciating and loving the environment more than I expected.”

Amanda Wong Yun Ying

# Vietnam Travel Memories

During their internships, the students seized the opportunity to travel around Vietnam, exploring the country's rich heritage, breathtaking landscapes, and vibrant local culture.

“Very friendly and inclusive people. They are also very encouraging.”

Samuel

# About Global Ready Talent

At Global Ready Talent, we understand the unique challenges that Singaporean students face when venturing abroad to work, such as in Vietnam, for a ten-week period.

That's why we have always made it a priority to provide them with timely support and assistance. Our role goes beyond being just a service provider but also their trusted friends who can accompany them to create memorable moments during their time in Vietnam.

In doing so, we aim to help students foster meaningful experiences throughout their internship journey.
